

AANT - Travel insurance cover Target Market Determination (TMD)

Effective Date: 15 December 2023

About this document

This TMD applies to the travel insurance cover products described in the AANT Product Disclosure Statements (**PDS**) listed in the Appendix that have been issued by Tokio Marine & Nichido Fire Insurance Co, Ltd ABN 80 000 438 291 AFSL: 246548 (**Tokio Marine**).

The main purpose of this TMD is to describe the class of customers that the travel insurance products have been designed and are suitable for, having regard to their likely needs, objectives and financial situation.

This TMD also sets out the conditions and restrictions that are placed on the distribution of the travel insurance products, the events and circumstances that will trigger a review of the appropriateness of this TMD, how often distributors are required to provide information about any complaints to Tokio Marine and when this TMD will be reviewed.

This TMD does not replace the full terms and conditions that are contained in the PDS. Customers should refer to these to understand the precise scope of the insurance cover and before making any decision about whether to acquire travel insurance.

This TMD does not provide any financial product advice on travel insurance products and it does not take into consideration the objectives, financial situation and needs of individual customers.

Optional cover	 Not all activities are covered under the Plans. Cover for some other activities is only available if it is purchased as an optional extra. The optional covers are: Ski and winter sports (not available as an option under the Basics Plan) Ocean cruising Additional premium is payable for these optional covers, and an additional excess may apply to claims made under these options. The benefits covered by the options and the limitations and exclusions that apply to them are described in the PDS. 					
Who is insured	 Persons who meet the eligibility criteria and acquire a Plan. Up to two adults can be insured persons under a single policy. An unlimited number of dependents of insured persons are also covered if the dependents meet the eligibility criteria. 					
Medical conditions & pregnancy	Medical conditions The Plans automatically cover some medical conditions. All other medical conditions need to be disclosed for assessment whether to provide cover. If your medical condition is not automatically covered you will need to complete a medical assessment. If we agree to cover your medical condition, then you will need to pay any additional premium and the condition will be shown on your certificate of insurance.

	where a person drives a vehicle or motorcycle above the permitted blood alcohol concentration limit; and
	 where a 'Do Not Travel' warning has been issued by the Australian government for the country or region of travel.
	Please refer to the full description of the General Exclusions described in the PDS.
Limitations	Claims are subject to single item and aggregate limits and these are specified in the PDS and certificate of insurance. Under the Annual Multi-Trip Plan, claims limits will reset for each trip.
	Claims may be fulfilled by an assistance service provider, or repair, replacement, reimbursement or by a cash settlement depending on the circumstances.
Excess	Claims are subject to an excess, as specified in the PDS and certificate of insurance. There are options under all Plans to pay additional premium to reduce the default excess.
	For international trips the default excess of \$250 can be reduced to \$100 or nil excess except for International Single Trip - Basics, where the lowest available excess is \$100.
	The default excess for domestic trips is \$100 and can be reduced to nil for additional premium.
	There are options under the International Single Trip Plans to select a higher excess of up to \$1,000 and pay less premium. Please note that a higher excess may result in there being no, or minimal, recovery under some of the benefit limits.

2. Likely needs, objectives and financial situation

International Single Trip - Premium

This product is designed for persons:	• taking a single trip international trip for leisure purposes and which includes river cruising, departing from Australia and returning to Australia within 365 days, who want to protect themselves and their dependents against unexpected costs, expenses and personal liability that they may incur on their trip for all of the benefits within the AANT International Single Trip product and at the highest available dollar value benefit level.
	• who have the ability to pay the premium, for the most comprehensive scope and value of benefits available under the AANT International Single Trip product, and to cover any excess in the event of a claim in accordance with the excess option selected.
	 who can afford to pay the full cost of any costs incurred in advance of seeking claims reimbursement, unless where otherwise stated in the PDS.
	 who can afford to incur travel or medical expenses that exceed the applicable benefit limit (as specified in the PDS)
	• Our assessment of the key terms, features and attributes of the insurance benefits available under the International Plan - Premium is that they are likely to be consistent with the needs, objectives and financial situation of customers in the target market for this product.
This product is	travelling domestically.

3. Distribution

Distribution channels

Products under this TMD may be distributed through any of the following means:

- online through relevant websites
- by calling AANT's call centres
- AANT's network of representatives (including authorised representatives).

Distribution conditions and restrictions

Products under this TMD can only be sold to persons that are eligible for cover in accordance with the application criteria that has been approved in writing by Tokio Marine and which complies with the law (**Application Process**).

The Application Process has been tailored to identify the target market described in this TMD as part of the eligibility criteria. The use of this Application Process will make it more likely that the product will be acquired by persons within the target market.

Distribution reporting

Distributors are required to report the following information in relation to the distribution of products covered by this TMD:

- the number and nature of complaints in relation to the products in this TMD on a quarterly basis
- any significant dealings of the product outside of the target market that they become aware of within 10 business days.

4. TMD reviews

This TMD shall be reviewed within 12 months of the effective date of this TMD and then a further review once every two years.

This TMD shall also be reviewed if any of the following events or circumstances occur that suggest that the TMD is no longer appropriate:

- there is a material change to the terms and conditions of the product or to the underwriting criteria or Application Process;
- there is a material change to how the product is distributed;
- changes in the law or regulatory guidance or industry code that materially affect the terms of cover, or the receipt of feedback from distributors, regulators, the General Insurance Code Governance Committee or the Australian Financial Complaints Authority that suggests that the TMD is no longer appropriate;
- the occurrence of a significant dealing of the product outside of the target market;
- there are significant changes in customer metrics that track sales, policy cancellations, claims, complaints, customer feedback and loss ratios;

- the identification of any systemic issues produced from internal quality assurance and product governance processes;
- relevant external events such as relevant court proceedings, political and global events or adverse media coverage.

Appendix

This TMD applies to the products described in the PDS listed below and any related Supplementary Product Disclosure Statements (SPDS) when made available to customers on or after the applicable Scheduled Commencement Date:

Scheduled Commencement Date	Product Disclosure Statements
15 December 2023	AANT Travel Insurance
