You can:

You can also contact your own *financial institution*, which must act promptly on your instructions.

Renewal

You will be sent a Member Confirmation Notice of your renewal prior to the expiry of your contract. This will specify the ongoing amounts to be debited from your account unless you notify us otherwise.

Your obligations

It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a *debit payment* to be made in accordance with the *Direct Debit Request*.

If there are insufficient clear funds in your account to meet a *debit payment*:

- you may be charged a fee and/or interest by your *financial institution*;

- we may charge you reasonable costs incurred by us on account of there being insufficient funds; and

- you must arrange for the *debit payment* to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the *debit payment*.

You should check your account statement to verify that the amounts debited from your account are correct.

Overdue Payments

If a direct debit is returned unpaid by your *financial institution*, we will attempt to debit again the original amount and any fees charged to us or we will contact you to make alternative arrangements.

If any instalment payment is overdue by one month or more, your cover will be cancelled. We may cancel the DDR Service Arrangement if 3 or more debits are returned unpaid.

Dispute

If you believe that there has been an error in debiting your account, you should notify us directly on info@aant.com.au or (08) 8925 5901. Alternatively you can contact your *financial institution* for assistance.

If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging within a reasonable period for your *financial institution* to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

If we conclude as a result of our investigations that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding in writing.

Accounts

You should check:
